

Welcome to the Bailey Middle School Performing Arts Booster Club

THANK YOU FOR YOUR SUPPORT!

The BMS Performing Arts Booster Club was created for all students involved in Chorus, Dance and Drama here at Bailey! This club was put together in order to support each of these programs financially to facilitate optimal teaching and learning in the classroom, performance opportunities, and extra-curricular educational opportunities. Membership allows each family voting power in general meeting sessions to be held at least twice a year. In addition, your membership dollars will help establish a base annual income in support of this non-profit organization's operating expenses, i.e., bank fees, tax filing, etc.

Please consider supporting this fantastic organization with your Bronze, Silver, Gold or Platinum membership fee of \$5, \$15, \$25 or \$75+. Checks can be made out to the BMS Performing Arts Booster Club. Please be sure to write "Chorus", "Dance" or "Drama" in the memo line of your check and have your student return it & the form below to their performing art teacher. We also will accept cash! Thanks in advance for your financial support - see you at our upcoming performances!
